We Made It

TO MEXICO AS FULL-TIME MISSIONARIES

Thank you to the whole Pro-Vision team! Whether you have been praying for us or supporting us financially we are so grateful! Monday, April 18, we left for Mexico for good! This vision we received over three years ago has come to pass.

In April we went on a trip to Tijuana where we had a great time of ministry as well as took a load of belongings & supplies to Tucson, AZ (waiting in storage to cross into Mexico.)

We have several ministries planned for our first month living in Mexico, including a hot-dog feed for the locals (with Dwight as the chef), construction on the ministry center, women's ministry, children's ministry training, and connecting with the pastors and Christian leaders in the area.

Included with this newsletter is a poster for Project Prayer. We would so appreciate it if you would join us in prayer to kick off our ministry! If you can commit to prayer every day in May please drop us an e-mail or note & let us know. Our goal is over 100 people and we are doing well toward this goal. Thanks so much for making this all possible!

Culture Tip
 Mexicans love to honor their mothers by serenading them at midnight on Mother's day. They are welcomed with a cup of hot cocoa and a warm hug.

Pastor Highlight
 We were pleased to meet pastor Isaac from Bacobampo (town #6 on the map) while we were ministering in Tijuana. This school principal just recently began pastoring a local church in Tiplano, Tijuana, and his congregation is growing. Pastor Isaac has a wife and two daughters. (1 shown here)

UPCOMING MINISTRY

Women's Ministry
 A special thanks to Ko & Jan Krauss and Kolette Beckert for designing & making all the decorations and gifts for the May women's ministry event! It will be an encouraging & refreshing time for many women.

Construction Begins
 We will hit the ground running as we locate water & electricity and begin construction on phase one of the ministry center. We look forward to the construction help from Mike & Vickie Kangas, Matt & Laura Neish, & Ire Wardlaw. Thanks for coming down to help!

Teacher's Training Conference
 We look forward to working with Net Works on the annual Teachers Training Conference again this year May 5-7 in Los Mochis. We will be training leaders for Children's Ministry in Mexico!

We had a great time in Tijuana with a team from Calvary Community Church in Camas, WA, and we are so pleased with all the ministry that was accomplished! • BBQ dinner for more than 300 • 17 pastors attended training conference • Pastors resources given • 3 children's Outreaches • Children's Ministry resources given • Scores responded to altar calls • Roofed 40x40 ft. Rehabilitation center • Tore down building & saved the materials • Encouragement for pastor's wives. Praise the Lord!!!
