# Prayer Requests

February 2006

- Pray for resources to fulfill the vision God is giving us for next year.
- Pray for the pastoral training and necessary materials, that the teaching would be well received.
- Pray for the Valentines banquet, that lives would be touched and God would be glorified.
- Pray for insights and inspiration as we write ministry curriculum.
- Thank God with us for our new home!

Thank You for your support & prayers for this ministry. We are in this together.

Back in MEXICO

# ABOUNDING IN LOVE

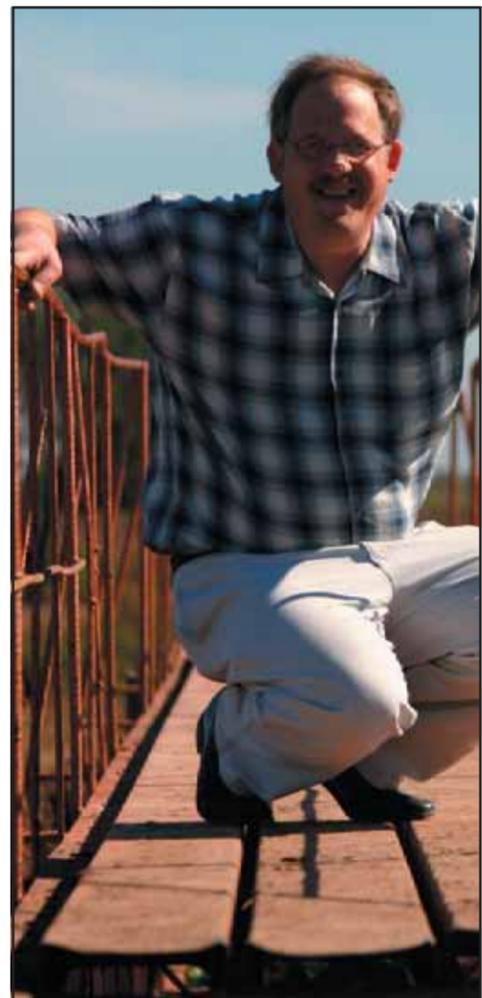

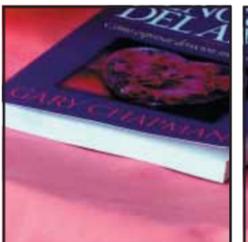

Experiencing God's LOVE for the Mexicans

The month we spent in Oregon was great- visiting friends and family, stocking up on supplies, and gearing up to go back and hit the ground running in 2006!

We look forward to the Valentines banquet for Pastors and their wives!

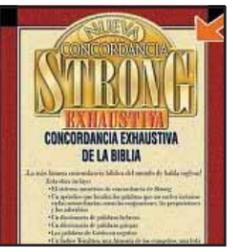

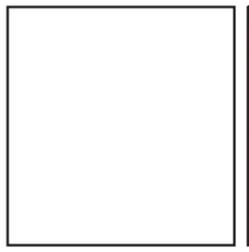

We will be teaching on "The five love languages" by Gary Chapman for the banquet.

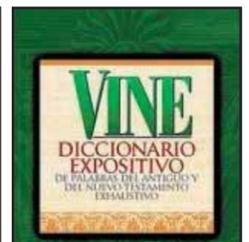

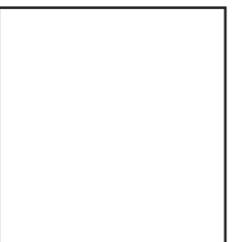

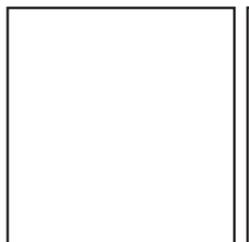

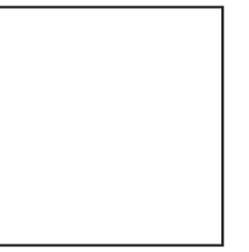

**TOP IMMEDIATE GOALS:**

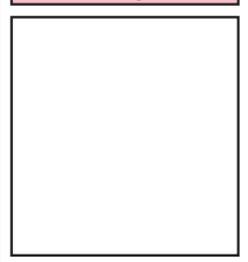

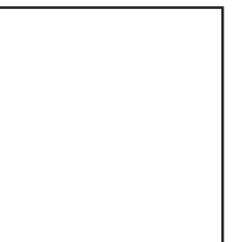

- Start Pastoral helps newsletter
- Hire Lupita for Pro-Vision office
- Set up office
- Move into our new home :)
- February

Our first foray into pastoral training is scheduled for March. Bob Firebaugh is coming to teach serious Bible study techniques to pastors. We are bringing some study materials- but need some more!

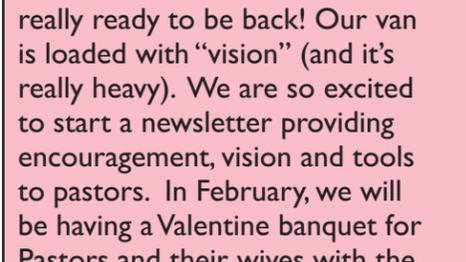

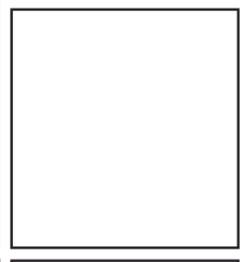

Will you consider giving \$75 for a set of study aids for one pastor in Mexico? (One each of books shown here)

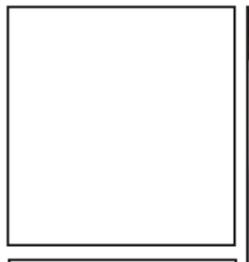

**NOTE:** from Dwight & Kristi  
When we left Mexico, we were really ready for a break! We have had a great rest and re-tool time, even though it has not been very restful for our bodies, we are really ready to be back! Our van is loaded with "vision" (and it's really heavy). We are so excited to start a newsletter providing encouragement, vision and tools to pastors. In February, we will be having a Valentine banquet for Pastors and their wives with the hope they will take this to their churches. Our house and office are ready to finish the details and move in!!! We are looking forward to a great year of ministry and serving the Lord.

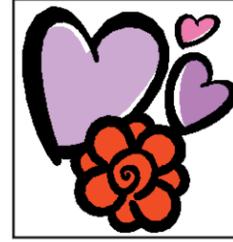

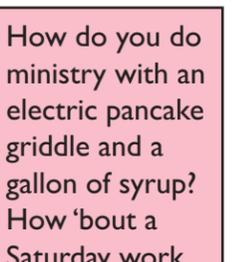

We were able to re-supply! Duplicator supplies, computer parts, satellite internet (Yippee!!!!), CD's, cassettes, CD and cassette duplicators, labels, printers, printer ink, car parts, tractor, printer parts, sewing machines, furniture, booklet collator, staples, books, "gringo" food, phone...

Thank you to all those who visited with us, had us over for dinner, or took us out to eat!

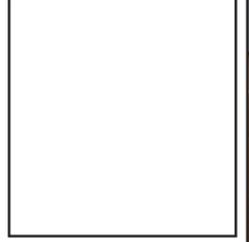

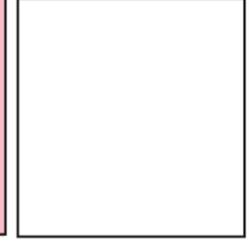

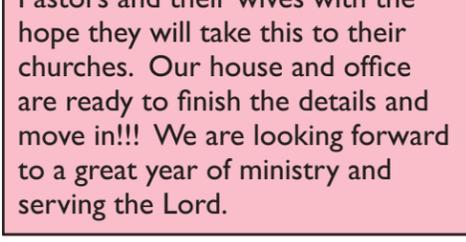

How do you do ministry with an electric pancake griddle and a gallon of syrup? How 'bout a Saturday work party complete with a pancake breakfast? Or periodical minister's breakfasts?

I shed tears as I thought of the spiritual & physical difficulties the Christians in Mexico face.

Praise God that He has opened our hearts to HIS love for the people!

This month's teacher training will be on puppets, and getting them more supplies.
